

Will The Suit Wear Well?

My Boy is Awful Hard on His Clothes

How often a mother or father greets us with this remark. If, at the time we are trying to sell one of our good, durable Boys' Suits we will, of course, answer most decidedly in the affirmative. The wearing quality of our Boys' Clothing is only one of its good points. You can buy cheaper clothes for your boy than our kind, but don't—it won't pay.

We want to show you our good, strong, reasonable priced school shoe for your boy. We have a good line of extra good shoes.

Try us for your Boy's Fall Outfit—you can't do better.
